YOUR RIDE

Introducing a weekly automotive feature powered by readers, advertisers like you.

Do you have a unique ride that “moves” you?

If so, share it with us for potential publication in our soon to be published “Show Us Your Ride” editorial feature.

Starting in early December, each and every Tuesday, The Evening Sun will publish one, randomly selected profile of a reader’s ride that “moves” them. Classic, antique, exotic, racing, military, winter-beater, truck, tractor, ATV, RV and more. Basically, we’re seeking to profile any ride of interest people may drive and or collect.

To share yours for consideration, please fill out and mail the following form to us, along with photo/s or send us the same via an email to showusyourride@evesun.com.

Thanks in advance....and, happy motoring.
