

ANIMAL SHELTER OF SCHOHARIE VALLEY PET OF THE WEEK

Patch is a 1 year old spayed domestic short hair. Patch is a love bug that loves to play and have fun! Patch is on a special vet prescription food due to her stomach sensitivities. Because of this, Patch can't have normal cat food, cat treats, or table scraps. Patch is great with other cats and animals, but if she is placed with other animals, their food must be out of her reach. Patch is an incredibly great cat that gets along with everyone. Patch loves to snuggle and would make an incredible new family member! The staff of ASSV would love to see this incredible girl go home!
