

ANIMAL SHELTER OF SCHOHARIE VALLEY PET OF THE WEEK

LETTY is a 4 year old spayed pit bull. Letty has had an incredibly rough run on life so far. Before arriving at the shelter, Letty had been in 4 different homes. Letty has been at the shelter for over 10 months now and we would love for her to go home! Letty is not kenneling well due to the stressful environment, so we would like her to go home ASAP! Letty loves to play and would do best with an active family that goes hiking, camping, and swimming! Letty does need leash work, but we are working on that! Letty will need to be your only pet as she likes to be the queen bee and center of attention. Letty is great with people and has been around children, but due to her power we are saying no children younger than 10.

BELLE is a spayed 2 year old domestic short hair. Belle was the momma to a litter of kittens that were brought into the shelter. Belle's kittens are old enough to be adopted and Belle is ready to find her forever home! Belle is extremely affectionate and loves to sit on everyone's lap. She is very playful and gets along with most other cats. We have not tested her with dogs, but we can if needed.
