

ANIMAL SHELTER OF SCHOHARIE VALLEY

PET OF THE WEEK

Jake and Sadie are 3-4 year old Lab mixes. They were brought in by dog control after being dumped by their previous owners. They are brother and sister, so we would like to keep them together, but they will adapt if they are not adopted together.

Both Jake and Sadie are cat and dog aggressive. They only get along with each other, so they will need to be the only pet if not adopted together. This sweet duo would do best in a household that is active. They are great on walks, but they are strong!
