Houseplant Tip

It's important to watch houseplants closely.

According to gardenguides.com, an online gardening resource, you should inspect plants regularly for yellowing or discolored leaves. This condition is usually caused by overwatering, but can also be the result of insects.

Deformed plants and sticky deposits on leaves and stems can be caused by insects as well.

MEDICARE REMINDER - Outpatient physical, speech, and occupational therapy. Medicare Part B covers medically necessary outpatient therapy services, including:

- Physical therapy
- Speech-language pathology services
- Occupational therapy

If you meet Medicare’s eligibility requirements, Medicare covers therapy on a temporary basis to improve or restore your ability to function, or on an ongoing basis to prevent you from getting worse. Medicare should cover your outpatient therapy regardless of whether your condition is temporary or chronic.

Eligibility - You are eligible for Medicare coverage of outpatient therapy services if:

- You need skilled therapy services, and the services are considered safe and effective treatment for you
- Medicare defines skilled care as care that must be performed by a skilled professional, or under their supervision
- Your doctor or therapist creates a plan of care before you start receiving services
- Your doctor or therapist regularly reviews the plan of care and makes changes as needed

You can get therapy services in a doctor’s office, outpatient hospital setting, rehabilitation agency, Comprehensive Outpatient Rehabilitation Facility (CORF), public health agency, or your home. You can also get therapy while at a skilled nursing facility (SNF) or through a home health agency. However, you may need to meet additional eligibility requirements to receive Medicare SNF or home health coverage.

Costs - Original Medicare covers outpatient therapy at 80% of the Medicare-approved amount. When you receive services from a participating provider, you pay a 20% coinsurance after you meet your Part B deductible (\$257 in 2025).
