# Know Your Limits

Maybe you like the feel of the open road or maybe you're just in a hurry. But the fact remains, that speed limits are carefully set to give you the safest possible driving speed for each road's particular traffic conditions. And because speeding is dangerous, the penalties are stiff.

So whenever time is of the essence, start out early and obey your local speed signs. Then you can enjoy a safe and leisurely ride without having to worry about the fines.
