2. John Dickinson - 1732-1808. He drafted several of the petitions to the King and wrote the first draft of the Articles of Confederation.

4. Lexington and Concord - The first shot between the Patriots and the British was fired in 1775 in Lexington. British Regulars received secret orders to capture and destroy military supplies stored at Concord, but the Patriot leaders had learned of this and moved most of their stores to other locations.

## LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of an individual or online and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$4-6K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. [www.centralautosalesllc.com](http://www.centralautosalesllc.com) 607-336-6371.
