Advertise Your Business in The Evening Sun's PROGRESS CHENANGO

Chenango County: A Beautiful Place to Live

We live in a beautiful small town. Nowhere is perfect, but in these rolling green hills and river valleys you can find a peaceful home and be a meaningful part of the community. There are things that could be better, and there are things we hope won't change, but those decisions will be made by the people who get involved.

This year the Evening Sun's Progress Edition will continue the tradition of exploring how local organizations and public resources are being invested to enhance our quality of life through infrastructure, workforce development, housing, and public services.

We will look at our area through the lens of those working to make the most of it and offer their constructive perspectives, so we all might learn to appreciate our hometown even more.

How are we gearing up for the challenges and opportunities that lie ahead? Are you interested in learning more about the key businesses and organizations in Norwich, Sherburne, Greene, Oxford, Bainbridge, New Berlin, the Otselic Valley, and the other towns that make up Chenango County?

What draws people here, and what convinces them to stay? Anyone willing to get involved can have a positive impact. It is one of the things that makes Chenango County so special.

Progress will be included as part of the regular newspaper, with each day's edition featuring additional pages filled with business insights from across the county. Delivered at no extra charge to readers and available as keepsakes, Progress serves as both an in-depth community resource and a valuable snapshot of the county's progress, as well as a year-long reference for our area.

Previous Progress editions can be found online at <http://evesun.com/>.
