OTSEGO COUNTY RECYCLES!

Apply as a Waste-Smart Business Today!

Otsego County wants to recognize businesses in our County that have made the effort to improve sustainable solid waste practices within their business.

The businesses recognized with this certification are role-models for our community. Responsible solid waste management practices help reduce carbon emissions, give longer life to our landfills, and prevent waste from polluting the environment.

The application for this certification can be found on the solid waste website.

THANK YOU TO VOTERS
in Richfield and Springfield
who supported me in the recent election as District 9 Representative.

Maybe you passed petitions, allowed me to put a sign on your property, asked me for a sign, gave encouraging words or moral support, I thank you for everything.

I will continue to work for residents of District 9 and, as always, if you have concerns or questions contact me.
Again, THANK YOU and have a safe and Happy Holidays.

The Richfield Springs Rotary Club would like to announce the completion of their Bathroom Renovation at the Richfield Springs Spring Park.

In 1973 the Rotary Club installed a bathroom underneath the gazebo at the park which for many years was the only permanent bathroom in the park for the public to be used for events in the Park. The Village had done repairs when needed till now.

In early 2025 then President Vincent Guerra noticed the antiquated facilities and approached the Rotary Board about getting a grant from Rotary International to do upgrades to the bathrooms.

After getting permission from the Mayor Rick Spencer and the Board of Trustees Vincent and Ross Jones put into motion the paperwork for the grant which we were awarded.

Rotarians Jonathan Leinhart, Charles Strange, Ross Jones, Cindy Talbot, Cyndy Andela, Marie and Vincent Guerra took part in removing, recycling, patching the floor, painting walls and floor, installing the new bathroom facilities.

So next year the bathrooms will be all new and clean for use during Park Events.

DANGER

ZONE

Every year, accidental poisonings result in the deaths of too many young children. Often, everyday household cleaning products and chemicals are the cause. Take these steps to protect your child against accidental poisoning.

Poison Prevention Guidelines for Household and Chemical Products

- Keep chemicals and household products out of the sight and reach of children.
- Buy household products in child-resistant containers and keep products in their original packaging.
- Store food and household products in separate areas.
- Don't allow distractions to prevent you from being watchful when using household chemicals.
